

KENT JUNIOR LEAGUE ROUND TWO

DOVER

10th September 2011

Well done to our team of junior swimmers who competed in the Kent Junior League Round Two at Dover finishing in a creditable 4th place. Due to injuries, last minute changes were required with swimmers being asked to compete 'out of age' and in events they would not normally swim. Although as a team we were unable to secure a race victory on the night, fifteen 'personal bests' were recorded in individual events and twenty 'personal best' split times achieved in the relay events.

The squad welcomed three new team members, Daisy Robinson-Jones, Amber Sayers & James Angell, who all performed excellently. Daisy, made her gala debut for the club, and although very nervous on the blocks, achieved a very creditable time in the Girls 11 & under 50m freestyle event. Amber & James did not compete in an individual event, but both made valuable contributions to their relay teams.

Keelan Callard also made his debut in this year's Kent Junior League with two fine second places in the 100m Breaststroke and 100m Freestyle events achieving 'personal bests' in both. Other swimmers to achieve two new personal bests were Max Parris in the 100m Butterfly and 100m Freestyle and Yalun Zhang in the 50m Breaststroke and 100m Breaststroke.

I would like to thank my poolside team of Sue Farthing, Sharon Warr, Lorraine Pembroke, Sally Willis Andrea Knight, Lynda Pinkess, John Willis & Jack Willis for their support & help on the evening.

And finally, a special thank you to all the squad for their impeccable behaviour on the coach and poolside. You were a credit to the club.
